Dear Mr Sedge,

On behalf of Tom Smith and the CLIC Sargent Development Committee, thank you very much for your donation of £10,000 to help our work with children and young people with cancer. It is wonderful to receive such support from the Aberdeen Oilmen's Golf Association. As you may know, Tom Smith and the committee are working towards funding a new Young Person's Social Worker to support our work at Aberdeen Children's Hospital, so this donation will help us to move closer towards this goal.

CLIC Sargent is the UK's leading cancer charity for children and young people – from birth to 24 years-old. We're there from the point of diagnosis, helping the whole family cope with the impact of cancer and its treatment, life after treatment and, in some cases, bereavement:

- Our care professionals provide clinical, practical and emotional support
- Our health and social care professionals include nurses, social workers, youth workers and play specialists
- We provide financial help to meet extra costs, free accommodation close to specialist cancer centres for families and holidays in the UK

Thank you so much for supporting children and young people with cancer. I am currently on maternity leave, but if you would like any further information on our work in Aberdeen, my manager Anne Hughes will be delighted to assist (0141 572 5700, anne.hughes@clicsargent.org.uk). I will return to work in January and perhaps then I will have an opportunity to show you how well AOGA's donation has been spent.

Thank you once again.

Yours sincerely,
