Mr Douglas Sedge,
Chairman,
Aberdeen Oilmen's Golf Association,
30 Harlaw Road,
Aberdeen,
AB15 4YY.

Dear Mr Sedge,

Many thanks again to you and your colleagues in the AOGA for your most generous donation of £7,500.00 to Fighting for Sight.

The money will help fund our research into the leading causes of blindness in North East Scotland. We are presently raising money to purchase a specular microscope which is essential for measuring the thickness of the cornea following the newest forms of corneal graft surgery.

We continue to fund a part-time Research Fellow and have recently supported the printing of a "Hints and Tips" information leaflet for those with visual impairment.

Yours sincerely,
